MORE Freedom. **MORE** Adventures.

Crafted to seamlessly adapt to every chapter of your life, the all-new MGS5 Electric SUV offers a blend of innovation, flexibility, and uncompromising safety for every journey—whether you're heading out on your daily commute, a family adventure, or that spontaneous escape.

ENGINEERED for Efficiency. DESIGNED to Impress.

Step into a new era of redefined automotive aesthetics. Marrying MG's signature design with pioneering aerodynamic engineering, the MGS5 EV creates an efficient vehicle that is both captivating and perfectly optimised.

- MG's refined emotional design: a seamless integration of iconic design with cutting-edge technology.
- Dynamic proportions, exquisite details.
- Streamlined for enhanced efficiency and extended range.

SPACE to Grace. ROOM to Roam.

Discover a new realm of practicality, and indulge in unparalleled comfort and spaciousness. The all-new MGS5 Electric SUV offers a blend of innovation, flexibility and uncompromising safety. Experience liberation in every journey—from daily commutes, family adventures or even a spontaneous escape.

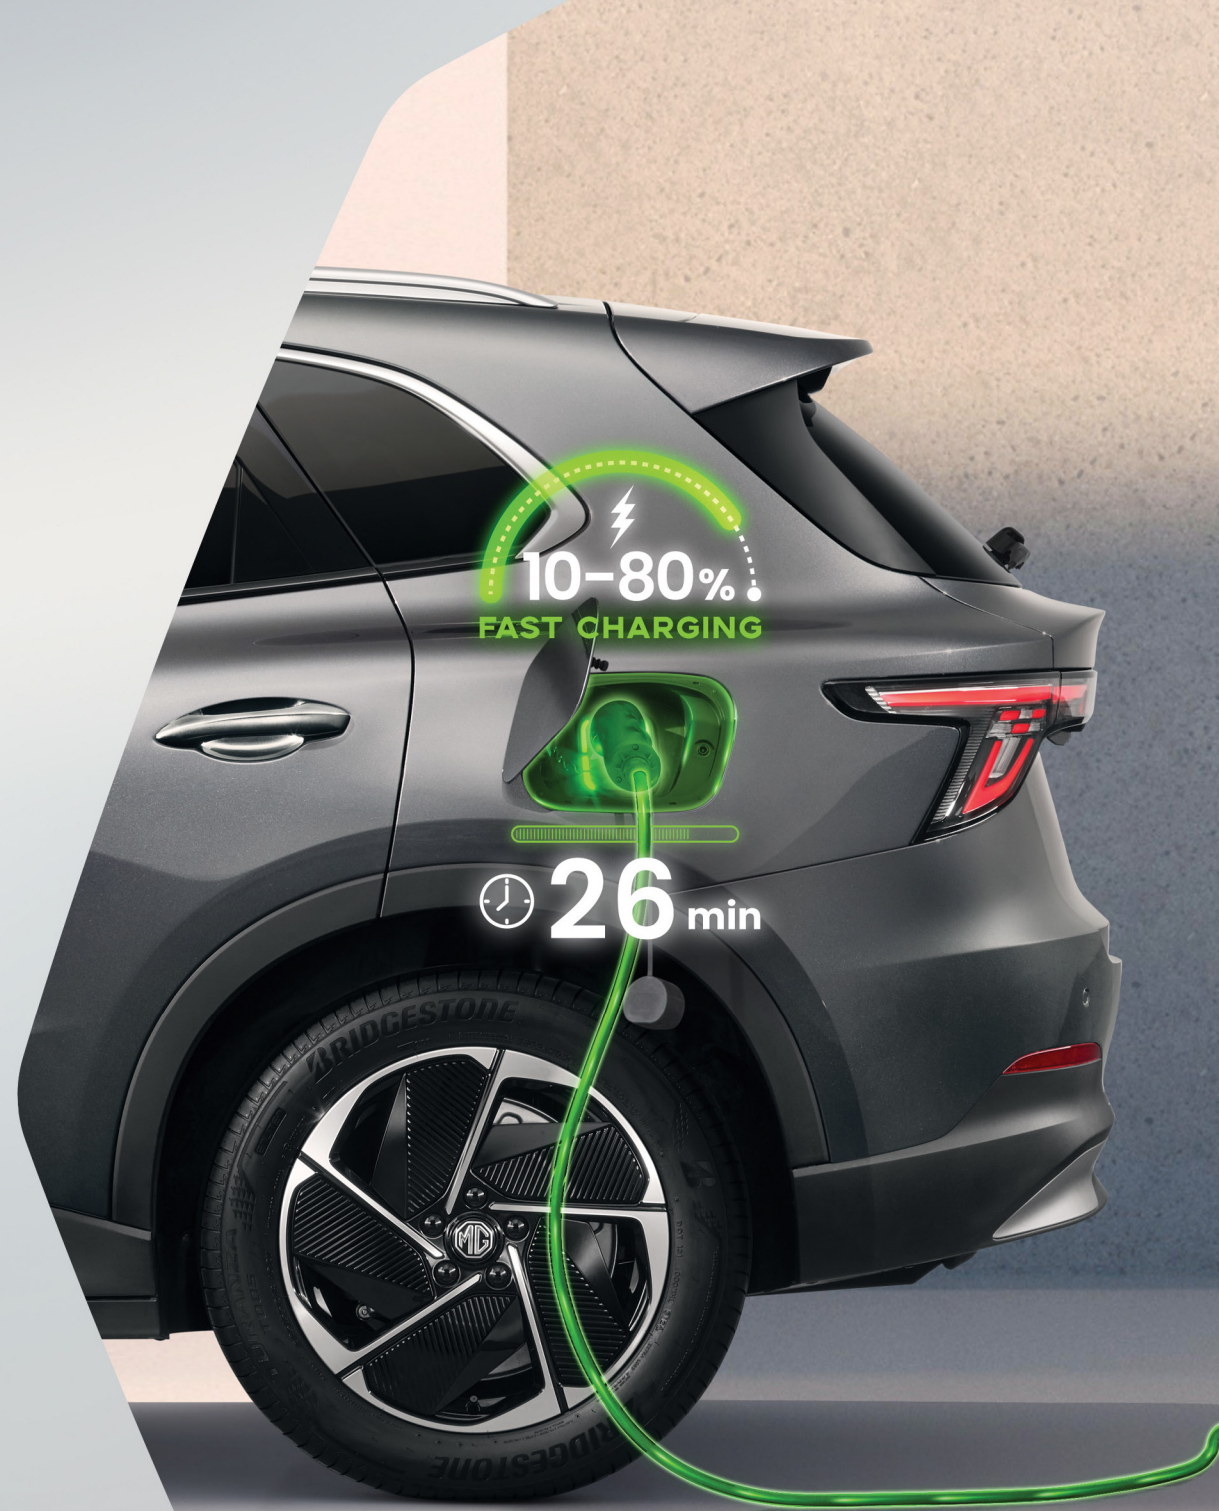

- An extended wheelbase, wider body, and lofty cabin dimensions create a truly expansive interior.
- Impressively generous headroom and legroom for both driver and passengers.
- Ample 453 litres of boot space, expands to an impressive 1423 litres with the 2nd-row seats down.

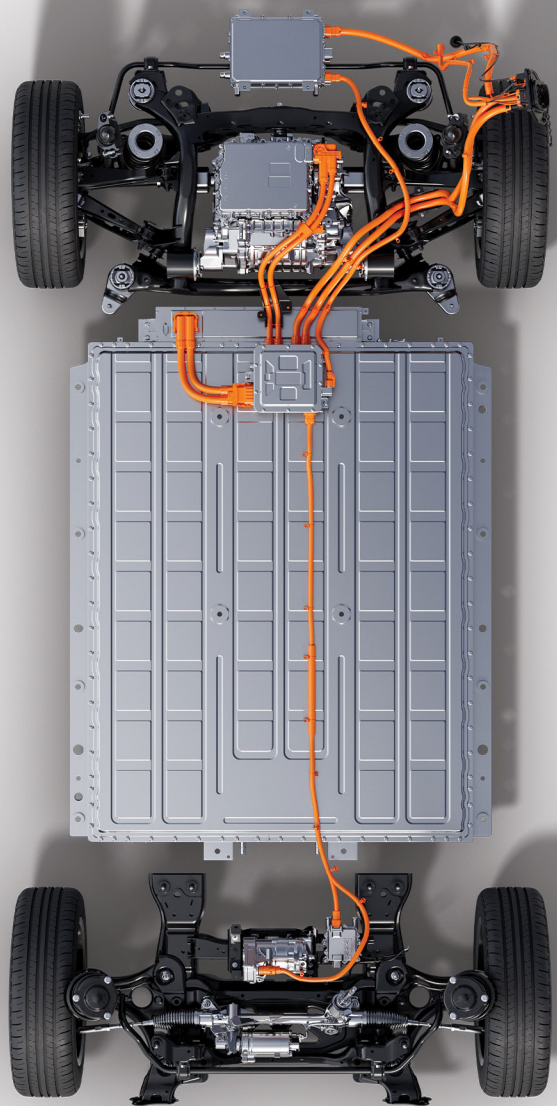

DYNAMIC Performance. SUPERIOR Range. FASTER Charging.

The MGS5 EV's power-packed motor and rear-wheel drive platform delivers exhilarating drives, precise handling, and confident control for your urban and highway commutes. Experience the redefinition of driving performance.

- Experience instant acceleration and responsive power delivery with the powerful and efficient motor with 99kW Max Power, 250Nm Max Torque.
- Efficient braking with an advanced braking system with class-leading 100-0km/h braking distance in just 35.5m.
- Navigate narrow spaces with ease, assisted with the tight turning circle of 10.53m for agile manoeuvring.
- Travel further between charges with a pure electric range of up to 560km.
- Significantly reduce your waiting time with class-leading fast DC charging speeds of 10% to 80% in just 26 minutes.

BUILT for Safety. **DESIGNED** for Quality.

Embrace the liberation of electric mobility. Range anxiety is a thing of the past with the MG5 EV's advanced battery technology, providing a long-lasting range and rapid charging capabilities to maximise the freedom in your driving experience.

- Advanced Horizontal Lithium Iron Phosphate (LFP) battery layout is designed for remarkable stability, longevity and safety.
- Spacious cabin space and maximised comfort with the innovative ultra-thin battery design.
- Engineered for uncompromising safety and quality, and rigorously tested across eight countries in extreme temperatures from over 50°C to below -40°C.

SMARTER Technology. SEAMLESS Connectivity.

Step into the future of driving with MGS5 EV's feature-packed smart technology. Stay connected, informed, and entertained with our intuitive interfaces, seamless smartphone integration, and intelligent features designed to enhance every journey.

- 10.25-inch HD Instrument Panel for drivers with interactive UI.
- 12.8-inch HD Touch Screen Centre Display with a user-friendly interface.
- Wireless Apple CarPlay™ and Android Auto™.
- Inbuilt online applications such as Spotify, YouTube & TikTok with built-in 4G connectivity.
- Voice control

A DRIVE with Confidence. A WORLD of Convenience.

At MG, your safety and peace of mind will always be our top priorities. The MGS5 EV is equipped with a comprehensive suite of advanced safety features and technologies, providing a secure and effortless driving experience for you and your loved ones.

- MG Pilot intelligent driving system offers a comprehensive suite of 16 ADAS safety features that help prevent accidents and enhance safety for passengers & drivers alike.
- Experience superior protection in the event of a collision with a high rigidity body that has been awarded international EURO NCAP five-star standards.
- Get comprehensive occupant protection with a full complement of 7 airbags and 4 pretensioner seat belts.
- Enjoy a clear view of your surroundings for safer parking and manoeuvring with 360° HD SurroundView.
- Easily load and unload cargo with the inbuilt hands-free power tailgate.
