

INTRODUCES

MGS9 PHEV

ACTIVE
COMFORT

FOR LIFE AT
FULL CAPACITY

Introducing the all-new
MG S9 Plug-in Hybrid.
Versatility to move at
your pace. Comfort to
calm everything else.

FLEXIBILITY

VERSATILE SPACE

Most 7-seaters make you choose
between the seats and space.
The MGS9 PHEV doesn't.

- 3 FULL ROWS
- 2,093 LITRES OF SPACE
- SMART TAILGATE

SEVEN SEATS

The MGS9 PHEV seats seven adults across three rows – including a full size third row. Switch from seven to five to two as the sliding second row adjusts to balance legroom and boot space so nobody loses out.

ROOM FOR ANYTHING

Drop the second and third rows and the MGS9 PHEV starts being useful in a different way.

At 2,093 litres with both rows folded, this is the boot for impromptu flatpack runs, borrowed surfboards, and optimistic reclamation yard trips that somehow always escalate.

The sensor-operated Smart Tailgate* opens hands-free.

*Available as standard on Premium trim

INTERIOR

CRAFTED COMFORT

Life has its tempo.
The MGS9 let's you set it.

- HEATED FRONT SEATS
- TRI ZONE CLIMATE CONTROL
- 12 BOSE® AUDIO SYSTEM*

*Available as standard on Premium trim

SENSORY COMFORT

Light floods through the enormous panoramic roof, twelve BOSE® speakers* fill the cabin with crisp, rich audio, and automatic tri-zone climate control keeps everyone at their preferred temperature.

*Available as standard on Premium trim

SEAMLESS TECHNOLOGY

Equipped with dual 12.3" screens, wireless charging*, Apple CarPlay™ & Android Auto™, and 5 USB ports distributed across the three rows.

*Available as standard on Premium trim

EFFICIENCY

SMOOTH POWER

Efficiency without sacrifice.

- UP TO 100 KM EV RANGE
- 1.5L TURBO PETROL ENGINE
- 299 PS MAX COMBINED POWER

ELECTRIC EFFICIENCY

The MGS9 PHEV has a 100 Km EV only range. When the journey demands more, the 1.5L turbo petrol engine is there when you need it.

SMOOTH POWER

Combined output from the hybrid powertrain reaches 299ps. The MGS9 PHEV gets to 100kmph in 9.6 seconds and returns an impressive 150.1Kml on the WLTP combined cycle.

24.7kWh Battery

9.6 sec, 0-100kmph

8 year warranty
/ 150,000 Km

SAFETY

SURROUND SAFETY

Safety that preserves
your peace of mind.

- MG PILOT CUSTOM
- 5 STAR EURO NCAP RATING
- HIGH STRENGTH STEEL CHASSIS

MG PILOT CUSTOM

MG Pilot works with an advanced suite of driver assistance systems to anticipate what lies beyond your sightline and the Custom function allows you to personalise your preferred settings and recall them easily with each drive.

Active Emergency Braking, Lane Departure Warning, Adaptive Cruise Control, and Blind Spot Detection all monitor vigilantly with your safety in mind, allowing you to focus entirely on enjoying the journey ahead.

COCOONED IN SAFETY

Protection works silently around you as a high-strength chassis creates a reassuring cocoon of safety.

All models include seven airbags: front, side, curtain and central airbags, providing comprehensive passive safety for all occupants.

*Range figures provided are calculated under test conditions. EV only driving range of 100km WLTP combined. These figures are for comparative purposes only and may not reflect real-life driving results. Actual range may vary depending on various factors such as weather conditions, driving styles, vehicle load, and accessories fitted post-registration.

AFTERCARE

8 YEAR WARRANTY

More peace of mind comes as standard with every MG. The MGS9 PHEV offers reassurance of our full 5 year or 150,000 km warranty, whichever comes first.

What's more, your battery is covered by an 8 year warranty. Our warranties ensures that expert MG technicians will always be able to keep your car in the best of health. They're also fully transferable to future owners.
